Dear Sir/Ma'am,

Currently as a 3rd CSE student at IIIT Kalyani, I am looking for summer internship in field of Quantitative Development. I have strong background in coding skills and I also have good team work experience and had done many projects individually as well as in team.

- I have strong background in C++
- I am good in English and Problem Solving
- I have worked with Linux Environment
- I have knowledge of Python as development language and Option Theory.

I am interested in exploring new things much and I would appreciate the opportunity to contribute to ongoing growth and success.

I look forward to hearing from you, and do not hesitate contacting me if you have any questions.

Thanks in advance!

Akash Ramanand Rajak
